Whether you like cruising, are a track junkie, racer or just like to hang with other Viper owners, Viper Days has something for you. Our passion is teaching novice drivers proper techniques for driving on the track and the street.

Viper Days is unlike other HPD events. With top notch instruction, plenty of clean track time (up to 2 hours per day), track side support to keep you on the track, grids set by time to eliminate the trains that develop at other events, we are a step above the rest.

One, two, and three day rate plans.

Private instruction is available to satisfy the most seasoned drivers.
